CubeMatch Claritaz rebrands to CubeMatch Technologies fully integrating with the Global CubeMatch Group

Embargoed April, 1st, 2024

CubeMatch Group is delighted to announce that CubeMatch Claritaz (our branch based in India) has rebranded as **CubeMatch Technologies** to further strengthen CubeMatch's global services offering to our client base.

CubeMatch Technologies is a software development and testing company providing agile software development, digital transformation, QA, and managed services.

CubeMatch's global capabilities in change and transformation consultancy, powering change for Financial Services, will be boosted by the additional expertise of CubeMatch Technologies in project delivery, development, and testing. It will also strengthen our offshoring and managed services capability.

Headquartered in Chennai, India, **CubeMatch Technologies** has a team in excess of 75 consultants and is one of the leading software development companies in Chennai, serving an impressive local and overseas clientele. The company's expertise aligns perfectly with CubeMatch's specialist Financial Services offerings.

Speaking on the rebrand, **Tom Melville, Group CEO of CubeMatch** said *"we have been working with the talented team in India for 3 years now and we are delighted to be able to offer their services to our existing client base"*.
